A MAJOR PROJECT

“MIMA ASSOCIATION”.

**MAJOR PROJECT SUBMITTED IN FULFILLMENT OF THE CURRICULUM AS PART OF DEGREE IN
BACHELORS OF SCIENCE (PMC).**

**SUBMITTED BY
HEMANTH SHARN S – 19PMC23022
VI SEMESTER BSc (PMC)**

Certificate

This is to certify that **Hemanth Sharn S(19PMC23022)**, has satisfactorily completed the project in Major Project Lab on “**MIMA-Association**” prescribed by ST.JOSEPH’S COLLEGE (AUTONOMOUS) of Bangalore University for the **III year (VI semester)** BSc course in the academics year 2021-22

Teacher in-charge

Head of the Department

Examiners:

Name: Hemanth Sharn S

1. -----

Register No: 19PMC23022

2. -----

Date of submission:

ACKNOWLEDGEMENT

I would like to express my deep sense of gratitude and convey thanks to everyone who helped us and supported during the completion of this project. First, I would like to express a deep sense of gratitude to Ms. Sandhya N and Mr. Selwyn Paul for helping, guiding, and supporting. I acknowledge my department for providing the courses and a great atmosphere that helped complete different chapters of this project. I especially thank my HOD, Sandhya N. for supporting me and my concepts and for helping me develop the skills necessary to design this application as part of my partial fulfilment of the course. I would like to thank Dr. Alan Godfrey. A for having faith in our abilities and trusting us with this project, apart from his constant support and cooperation. Last but not the least; I would like to thank my family members for their constant and unrelenting support towards my education and for their impartial love for us. I would also like to thank my team, without whom this project would have been impossible.

ABSTRACT

The aim of the project is to give a overview of MIMA Association for the students and as well for the outsiders. It was mainly developed to solve the problem for the association in terms of registration for the students during the beginning of every academic year in order to be part of MIMA.

The website allows the students to register themselves to be part of MIMA association by submitting their details into the form.

The website also allows the student to view the achievements of MIMA, performance and also about the origin of MIMA which gives the glimpse of MIMA association.

It also helps the student to cast their talents in acting, script writing and narrating by uploading their videos and posting about in blog page which will showcase their talent.

INTRODUCTION

To maintain and handle the records of **MIMA-Association** will be the difficult task for the Executive Council of the respective years. Understanding the roles and responsibilities of MIMA is basic knowledge for every student in order to join the association and to build their skills in various fields like mad ads, icebreakers, mock rock, mime etc. To resolve the above problem and with the development of technology this website will be more useful in storing the data and information about various events, achievement achieved by the association and also to provide registration forms for upcoming audition

MIMA-Mad ads, Icebreakers, Mock rock Association is one of the association of St Joseph's College (Autonomous) with the tagline "**Everyone's mind goes crazy**". This association has participated in 60+ events in various colleges in the last three years It is the one and only association in the college with highest number of wins in an academic year (2019-2020) with 37 wins. This association not only performs fun-fact, but also performs acts like mime, street play to raise awareness among people about various social problems. When it comes to the formation of the association, the work under gone to become an association is an endless and inspiring story.

This project also focus on keeping the information transparent, to preserve the records and to create a reference for the upcoming committee members.

FRONT END REQUIREMENTS

The front end is made up of many different languages and libraries. While these vary from application to application, there are only a few generic languages understood by all web browsers. The main front-end coding languages are HTML, CSS, JavaScript and online sources.

HTML

The letters in HTML stand for Hypertext Markup Language. HTML as a whole is the markup that creates the basic elements we view on a website.

CSS

Cascading Style Sheets or CSS is what gives our HTML visual appeal and draws in the user. To put it simply, style sheets dictate the presentation of HTML elements on a page.

JAVASCRIPT

JavaScript is the most popular language among developers which is essential for front end web development. A majority of the web's popular sites, rely on JavaScript to create interactive web pages and dynamically display content to users.

PHP

"PHP: Hypertext Preprocessor" PHP is a widely-used, open source scripting language. It can be used to develop dynamic and interactive websites.

STUDY OF PROPOSED SYSTEM

- This Website will help students to have basic knowledge about MIMA-Association.
- To maintain and handle the records.
- It is a dynamic Webpage.
- It provides complete guidance about MIMA-Association.
- This website gives an overview of MIMA-Association.
- Few service will give the necessary information i.e. it displays pictures and videos, also gives an idea about various events performed by MIMA.

SYSTEM REQUIREMENTS

Software Configuration:

- Operating system: Windows 7 and above.
- Browser: Microsoft Edge, Google Chrome and Firefox.
- Scripting language:
 - HTML
 - CSS
 - Java script
 - PHP

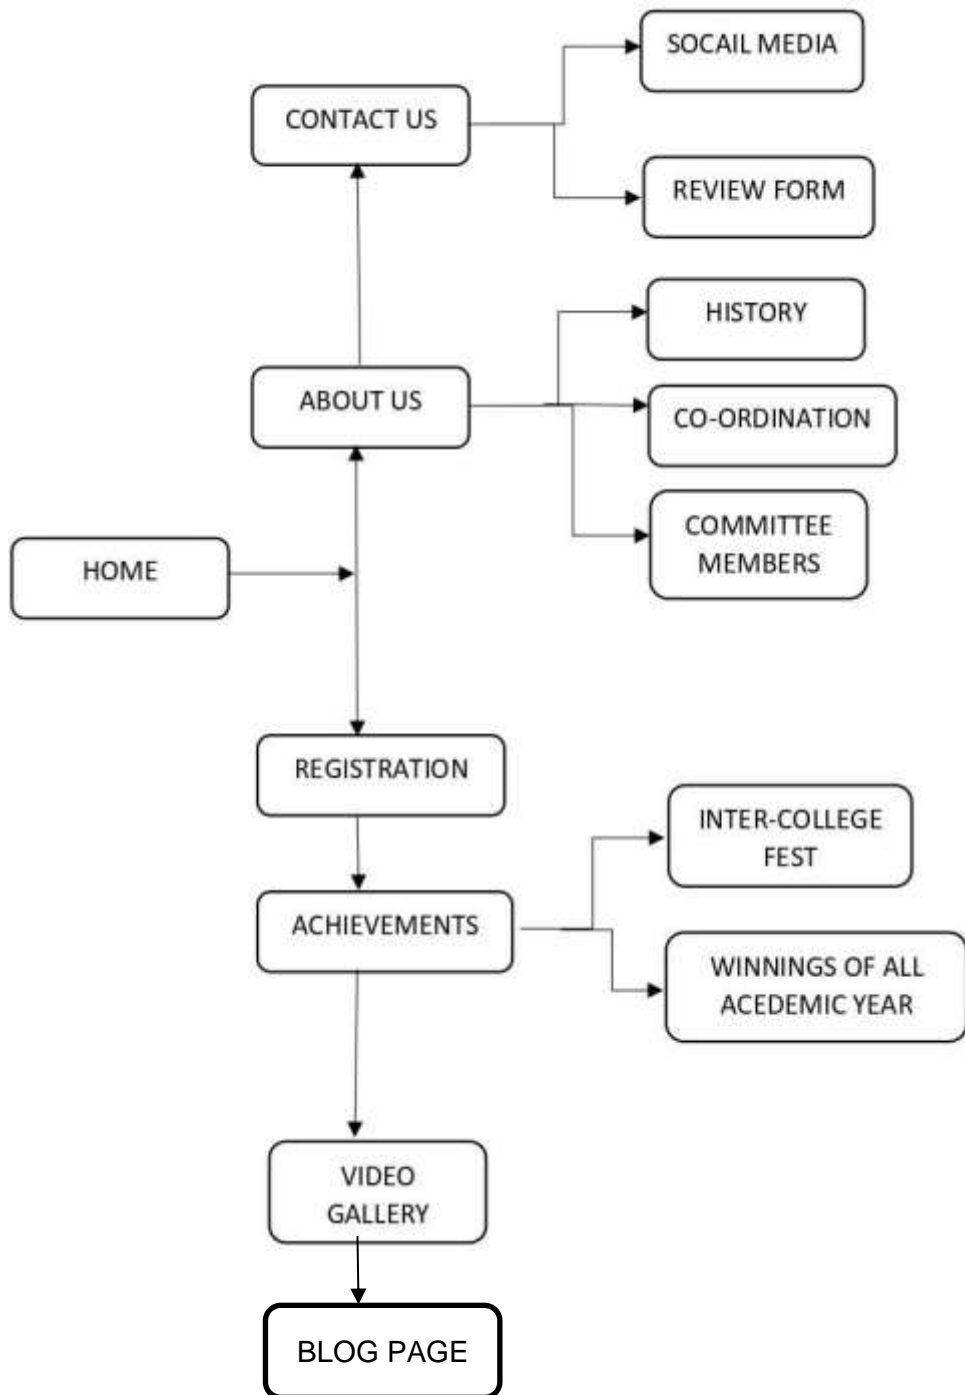

Hardware Configuration:

- System: Intel Core i3 and above
- Hard disk: 500GB
- RAM: 4GB+

Hardware Requirements:

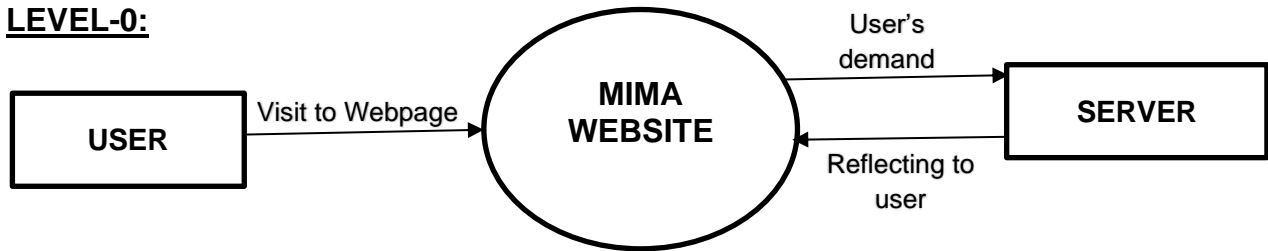

- Any Desktop/Laptop system with above configuration or higher level.
- Keyboard and Mouse

DESIGN:

a) Home Page:

It contains navigation bar that takes the user to other modules those are Achievements, Video Gallery, About us, Contact Us, Registration. It also contains a footer at the bottom.

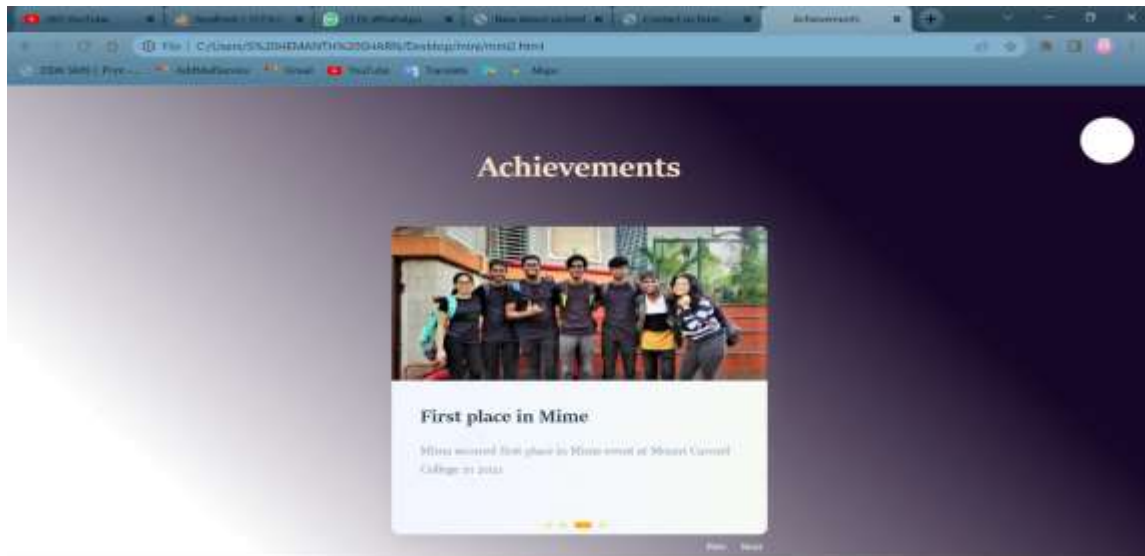

- Home page gives description about MIMA and also contains pictures of the members and some of participated.

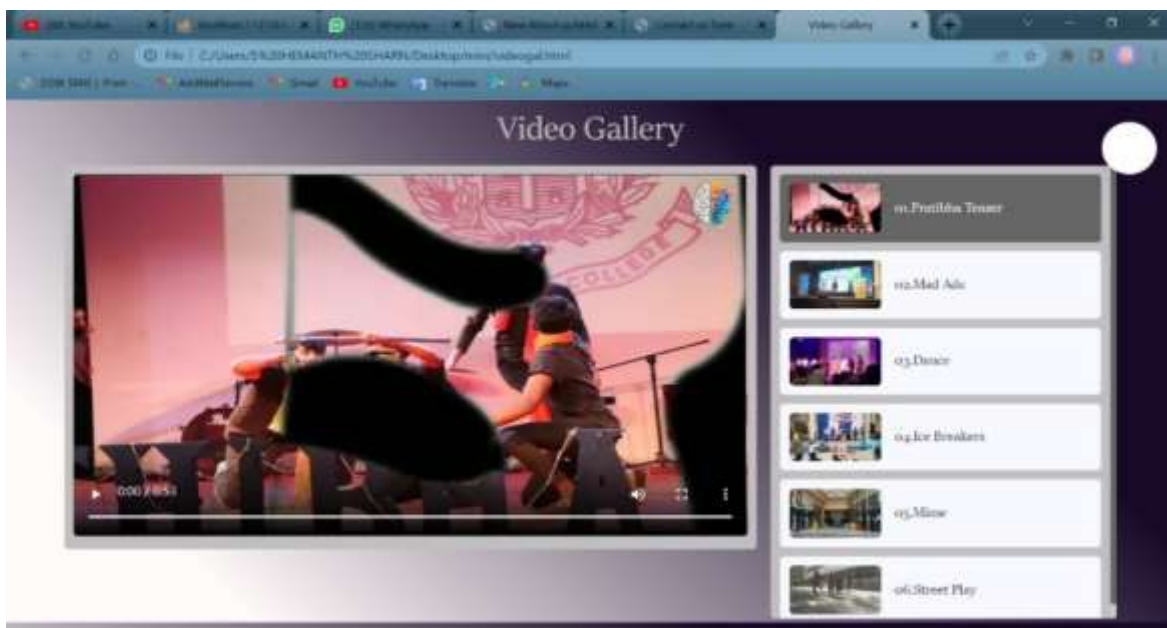

b) Achievements:

This page contains the achievements achieved by the association in various inter-college fest. And has the navigation bar the view other modules.

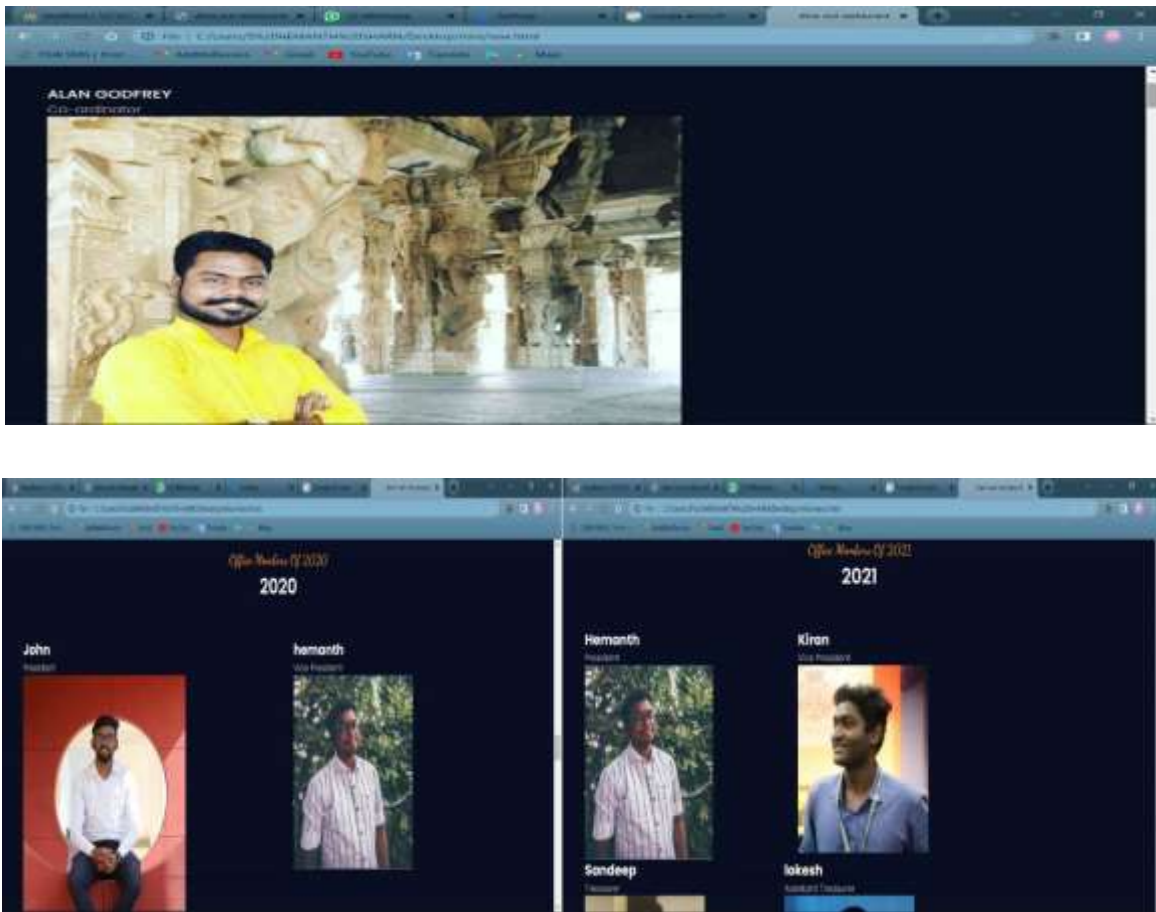

c) Video Gallery:

- It contains the videos of the events performed by the members of the association.
- The videos can be played with full screen.

d) About Us:

- This page contains information about the coordinators and office members of every academic year from 2018-2021 who were the pillars and backbone of the association.
- The user would know the members info to contact them about the association.

e) Contact Us:

The image shows a 'CONTACT US' form on a web page. The form has four input fields: 'Name', 'Phone', 'Email', and 'Message'. Below these fields is a yellow 'SUBMIT' button. At the bottom of the page, there is an 'ABOUT US' section stating: 'MIMA is a association in SJC,with a moto of "Where Everyone's Mind Goes Crazy",to know more about about MIMA visit our social media page given below.' and an 'ADDRESS' section with the location 'shantinagar,banglore, Surkhet' and email 'mima.sjc@gmail.com'. Social media icons for Facebook, Instagram, and YouTube are also present.

        <p>MIMA is the official entertainment association of St. Joseph's College (Autonomous), Bengaluru.

```

Our students are known not just in the campus but in other colleges too. A talented and kind hearted pool of people make use of this association in creating social awareness on different realities and commercial themes through captivating Ice-breakers, Mad-Ads, Mock Rock and Mime. In the recent years MIMA has won several laurels and accolades keeping it as one of the best associations in SJC.

Jesuit Education aims for holistic learning and greater knowing of the inner self. I believe MIMA is one association that brings the true potential of its students and helps them value

themselves and the people around them. </p>

```

CONCLUSION:

This website is effective and majorly designed to make awareness about MIMA among students of SJC. One of the major advantage of this website is that it makes the work of admin smoother and for easy contact with students of our college especially with respect to registration.

It contains unique design and easy access for the user so that the user need not get confused about the website and the association. And it is also a helpful source of review for the upcoming MIMA members.
